# CHRISTMAS PARTIES

## AT THE RAILWAY

We would like to welcome you to our first Christmas at The Railway, Lowdham.

Our ethos is to offer a great village pub with a fresh, creative menu, superb wines, local real ales and the warmest of hospitality. We are really excited with what we have created for our guests in December leading up to the big day itself and of course a New Year party to remember.

Whether it's a cosy night in the bar in front of our real fire, a family meal on a special day or a celebratory dinner with colleagues we can't wait to look after you.

We take the stress out of organising your work Christmas party as we do not require a pre order when dining from our party menu. Your guests can choose on the night! Phew!

With live music every Friday and Saturday night in December from some of Nottingham's best artists featuring Tee Dymond, Joe Strange and Fran & Jono.
