## WINE | DRAUGHT | SPIRITS

All of our wines are supplied by The House of Townend, who are an independent, family run Wine Merchant established in 1906. For four generations they have built direct relationships with some of the finest wine producers in the world. Their buying emphasis lies firmly with the smaller, quality led, and often family owned, wine estates and domains who possess like-minded philosophies.

Terre de Lobos Blanco, Quinta do Casal Tejo, Portugal

João Portugal Ramos is Portugal's most famous winemaker. Before he began making his own wines, he was a pioneering wine consultant. In the decades that Ramos has consulted, he almost single-handedly opened Portuguese winemaking to the benefits of modern technologies with an emphasis on low yields, occasional oak aging, and the preservation of a grape's natural fruit flavours.

Chardonnay, Pitchfork – South East, Australia

A fresh, unoaked Chardonnay offering incredible value for money. A world away from the over-oaked, buttery fruit-bombs of 15 years ago!

Malbec, Gouguenheim Mendoza, Argentina

Born in Argentina to French parents, Patricio Gouguenheim's love for wine started at the age of 7 when he was given a little bit of wine (mixed with sparkling water!) with every meal. No doubt this was a catalyst for him entering the world of wine later on in life. It was in 2002, when Argentina went into a big economic crash and GDP collapsed that he decided to enter the wine market (as everyone else was leaving...). He found a very old winery located in the Uco Valley, with a lot of small tanks ideal for the production of high quality wines, and that was the start of his venture in this wonderful, crazy business!

Rioja Crianza, Rioja Vega Rioja, Spain

Initially started as the dream of one man, Don Felipe Ugalde in 1882, this winery has seen ongoing growth and development over the years. Don's aim was simple: to be one of the countries most prestigious Bodega's. The estate pre-dates the assigned 'Rioja' region, and has therefore been allowed the keep 'Rioja' in their name. Today it is owned by the group Principe de Viana who acquired it in 1983 providing investment in new equipment, staff and in 2001 a brand new winery.

Cabernet Sauvignon, Big Beltie Languedoc-Roussillon, France

The Big Beltie Cabernet Sauvignon requires perfectly ripe grapes to show its full potential. Xavier looks for the right moment for the harvest of each particular vineyard. The grapes are destemmed, crushed and then sent to maceration for about ten weeks. This long process is ideal to extract the fruity character of Cabernet. Approximately one third of the blend is aged with half-toasted French oak which adds complexity to the wine.
